

Spanish Message Home for 3rd Grade Unit 1 – Solving a Mystery!

¡¡¡Bienvenidos!!! Are you ready to learn even more Spanish in Greendale Elementary Schools this year?! This year's theme is centered around **Health, Body and the 5 senses** and our first unit is all about the body; it is the only body we have! We'll start the unit with solving mysteries by using clues - descriptions of what people look like in Spanish! In the unit's final project, students will create a monster that they will describe to the class, and the class has to listen and guess what the monster looks like. We will be reading books I found in Spain this summer: La luna ladrona by Pablo Albo and Pierre Pratt and ¡A dormir, monstrous! by Ed Vere, plus many more! Take a look below for our goals and vocabulary list!
