

## ¡Noticias de la clase de Español! Trimestre 1, 2017

Hello First and Second Grade Families:

Our first unit this year is aptly named “Wisconsin Weather is Crazy! So What Should I Wear Today?” As the school year starts and the seasons change we need new or different clothes! In this unit students will learn to talk about what clothes they need depending on weather and the activity they are doing. With lots of practice with clothing and weather questions and vocabulary, the kids will be able to describe what they are wearing and when it is appropriate to wear certain clothing!

If you have any questions or comments along the way feel free to contact me!
